

Paint Chip Ordering Process

In an effort to improve the process of obtaining paint chips, we have added new CI codes to our ordering system allowing you to order them through Agile as you need them. The new CI codes will be for proprietary paint chip samples.

Submit an order as you would normally through Agile and select the following new CI codes listed below.

BRAND	CI CODE	DESCRIPTION	PRICE
HYDREL	*237A9X	FSCHIP HYDREL PAINT KIT	\$5
MARK	*263MAL	FSCHIP MARK PAINT KIT	\$5
Peerless	*25029P	FSCHIP PEERLESS PAINT KIT	\$5

Once the order is created and submitted, the paint chips will be picked and shipped to the address entered in Agile. Please allow 5 to 10 working days after receipt of clean order.
